

WANNA ONE

Wanna One (Korean: 워너원) was a South Korean boy band formed by CJ E&M through the second season of Produce 101.

The group was composed of eleven members:

1. Yoon Jisung [Leader]
2. Ha Sungwoon
3. Hwang Mihyun
4. Ong Seongwu
5. Kim Jaehwan
6. Kang Daniel
7. Park Jihoon
8. Park Woojin
9. Lee Daehwi
10. Bae Jinyoung
11. Lai Guanlin

Wanna One was formed through the 'survival' competition series Produce 101 (season 2), which aired on Mnet from April 7 until June 16, 2017. On December 18, 2018, Swing Entertainment released an official statement that the group's contract will end on its original planned date, December 31, 2018. Swing also stated that all agencies came to an agreement that will allow the members to attend scheduled year-end shows and award ceremonies throughout January 2019. The group concluded activities with a final concert (titled Therefore 2019). The concert was held at the Gocheok Sky Dome in Seoul, where the group held their debut showcase.

On November 15, 2021, it was confirmed that the group, except Lai Guan-lin, would perform in a reunion stage at the 2021 Mnet Asian Music Awards on December 11, 2021. This is the most important moment and will not be forgotten by Wannable (Their Fandom) because it's their reunion after disbanding. The reason for their disbanding is because their contract together just ended and it's time to move on (as devastating as that reality is). BUT UNTIL NOW I STILL CAN'T MOVE ON BECAUSE THEY ARE MY FAVORITE GROUP AND I STILL LOVE & MISS THEM!!
